|--|--------------------------|---------------|-------------|------------------|-----------------|---|--|---|--|-----------------------|--|----------------------------|---|---|----------------------------------|--|------------------------------------|-----------------------------|--|--|---|
| Comment -This matrix represents general guidelines to assist the customer in developing documentation for a procurement package. It does not represent official policy and should not be relied upon as such. If there are any questions regarding the information in this matrix, the Contracting Officer will determine final resolution. Coordination with the contracting team early in the process is recommended. PR Package Requirements | | | trategy | Acquisition Plan | Market Research | Request Service Contract Approval Form (RSCA) (Army Organizations only) | Performance Work Statement (PWS) Statement of Need (SON) Statement of Objectives (SOO) | Minimum Essential Characteristics (MECs) | Independent Government Estimate (IGE) | Purchase Request (PR) | Quality Assurance Surveillance Plan (QASP) Technical Inspection Plan | Evaluation Criteria (EVAL) | Antiterrorism/Operations Security Review (AT/OPSEC) Coversheet | COR Nomination / Technical POC & Budget POC | Justification & Approval (J & A) | Justification for an Exception to Fair Opportunity (JEFO) | Limited Source Justification (LSJ) | Source Selection Plan (SSP) | Acquisition Decision Memorandum (ADM) IAW DoD Instruction 5000.2 & Decision Gate Directive 2014-02 | Contract Data Requirements List & Data Items Descriptions | |

NOTES

- Written Acquisition Plans Required for development requirements, as defined in FAR 35.001, when the total cost of all contracts for the acquisition program is estimated at \$10 M or more; and for acquisition for production or services when the total cost of all contracts for the program is estimated at \$50 M or more for all years or \$25 M or more for any fiscal year. (Ref. DFAR 207.103(d))
- 2 Market Research Required for every procurement supplies and services. It is accomplished by developing the essential physical, functional, and/or performance requirements needed to compete the requirement or to substantiate why the procurement must be accomplished with limited or no competition (FAR 10).
- Signed Independent Government Cost Estimate (IGCE)/Independent Government Estimate (IGE) The IGCE/IGE is the U.S. Gov't estimate of costs that a contractor may incur in performing services and/or providing supplies to achieve the Government's objectives. The IGCE is a procurement sensitive document and should be handled accordingly. An IGE is applicable to commercial supplies and is established by determining the market value of an item through market research using GSA schedules, published price lists, catalog pricing, market survey, previous buys, etc. (Ref. USAMRAA Procurement Advisory Notice (PAN) Preparation and Use of the Independent Government Cost Estimate).
- Contracting Officer Representative (COR) Nomination Letter/Technical POC The COR must submit their COR registration in the Department of Defense Contracting Officer Representative Tracking (CORT) Tool is required for submission of all COR nomination packages. Otherwise the name of a Technical POC is required for post award administrative coordination. Reference USAMRAA PAN Administration and Surveillance of Service Contracts. The name of the Budget POC is requested for coordinating/resolving funding issues.
- 5 Justification & Approval (J&A) Required if purchase will be made without full and open competition.
- 4 Justification for an Exception to Fair Opportunity (JEFO) Required for task/delivery orders under multiple award IDIQ contracts under FAR Part 16 when fair opportunity is not extended.
- Limited Source Justification (LSJ) Required for GSA purchases if less than three firms will be solicited, or if the purchase will be made without competition. Required for FAR Part 8 task/delivery orders if 'fair opportunity' to compete is not extended to all contractors.
- 8 Source Selection Plan (SSP) Required when conducting negotiated, competitive acquisitions for requirements with an estimated value of \$10 M or more.
- 9 Acquisition Decision Memorandum (ADM) Applies to requirements in the acquisition life-cycle (Decision Gate) IAW DoD Instruction 5000.2 & Decision Gate Directive 2014-02.

^{**} For "Supply with Service" & "Service with Supply" include documents from both categories. **
